

artic connection

Date: _____

Dear Parent,

In speech, we are currently working on _____. In an effort to connect what we are working on in speech to the classroom curriculum, we are on a scavenger hunt for words that contain our sound throughout the story,

_____.

(Remember - we are looking for the **sound** and not the **letter**. For instance, if we are working on “s,” “**s**illy” would work, but “**s**ure” would not!).

Directions: Using this week’s classroom story, find 15 words that contain your **sound**, _____. Remember, we are looking for the sound - not just the letter!
